

Pastor's Weekly Devotional- December 12, 2019

“Superheroes!”

In recent years, a deluge of superheroes movies has flooded the theatres: Captain America, Spider-Man, Batman...and the list goes on. In every movie, the hero comes out “on top.” Surviving disaster. Untouched. Intact. No bodily harm. Unscathed.

We certainly would do well if we can find a superhero to solve The Middle East Crisis and The World's Economic Meltdown. Unfortunately, Hollywood cannot “churn” one out for the World.

There is a hunger within the human heart for superheroes. One who can combat noxious predators. But there is Good News – there is One! He is real! His name is Jesus!

The season of advent reminds us that God the Son entered into our flesh, a fully human Savior and still fully God. He did what no Hollywood hero has ever done. Sin was condemned. The penalty of sin was paid for. The power of sin was broken. Salvation is now available for all!

But the best is yet to come. Revelation 11:15 tells us that “the kingdom of the world has become the kingdom of our Lord and His Christ; and He will reign forever and ever.”

Reserve your tickets at God's Theatre! God's Superhero has come, is coming and will come! His Name is Jesus!

Have a blessed week!.
Pastor Sewdin
