AMERICAN CANCER SOCIETY RELAY FOR LIFE

Relay For Life is an event which gives everyone in the community an opportunity to participate in the fight against cancer. Teams made up of co-workers, organization members, family and friends come together to raise money and awareness for the cause. For 12 hours, team members take turns walking, some even running, laps around the track while various events take place. Ceremonies celebrating those who are survivors, those lost to cancer, and those who will take a stand to fight back occur throughout the 12-hour period. There are also a variety of activities and entertainment that takes place during the day and evening to help everyone enjoy this special time together. It is an inspirational opportunity for a community to come together in support of fighting cancer.

Relay For Life would like to invite cancer survivors to be our guest at the event. They will receive a Survivor T-shirt, be honored during the first lap, and enjoy a free dinner sponsored by Outback Steakhouse.

The event is June 7th. Opening ceremonies are at 6:00 with the Survivor Lap and dinner immediately following. For more information about the website visit:

PRIMETIMERS NEWS

A Word About Fatherhood (June 16th)

The "Father image" is an important concept in scripture. Here are some things the Bible says to men:

- * All Christian husbands are to love their wives "just as Christ loved the Church." (Ephesians 5:25)
- * All Christians husbands are to be kind and understanding to their wives. If a man does not live this way with his wife he will experience "unanswered prayer." (1 Peter 3:7)
- * Fathers are not to provoke their children to anger but to "bring them up in the discipline and instruction of the Lord." (Ephesians 6:4)
- * Learn to communicate with your family.
- * Express daily appreciation to the family but avoid flattery.
- * Be an example in word, action and lifestyle. Do what you Say! Actions speak louder than words!
